

**The Waterbury Symphony Orchestra is thrilled to share extraordinary musical experiences with you.**

**With guidance from the CDC and in partnership with our venues we have developed the following protocols:**

- WSO follows venue requirements for audience vaccination protocols. Currently, neither Naugatuck Valley Community College nor the Palace Theater require proof of vaccination to enter the venue. This policy is subject to change, and we will update the protocols as needed.
- As of April 4<sup>th</sup>, 2022 – Masks will be optional for patrons at Naugatuck Valley Community College (NVCC).
- As of April 4<sup>th</sup>, 2022 – Social distancing will no longer be required in the theater at NVCC.
- NVCC and all our venues continue to disinfect, ventilate, and maintain safe and welcoming environments for our patrons.
- Attendees understand that there is an inherent risk of exposure to COVID-19 in any public place where people are present. Those purchasing or attending Waterbury Symphony Orchestra events voluntarily assume all risks related to exposure to COVID-19.
- Any person who feels unwell, has any COVID-19 symptoms, has had a positive COVID-19 test in the past 10 days, or has had close contact with someone with COVID-19 should not attend a WSO event. Please call our Box Office at 203-574-4283 where we will be happy to reschedule your ticket for a different event or refund your ticket purchase.

These protocols may change. Please check back as the date of your event approaches.
